

NON-PROFIT PARTICIPATION at TRINITY BELLWOODS FARMERS' MARKET

As a designated farmers' market, we can have one non-profit/charitable organization attend per market day – for information sharing only. Passive acceptance of donations, minimal swag give away is acceptable. Merchandise selling or fundraising is not permitted.

Booking is on a first come first serve basis, with maximum two (2) dates in a season and once in a month. Your proposal will be vetted and date(s) confirmed with management prior to your organization coming.

Zero footprint. Any rubbish your stall produces, must be taken with you. Note: on-site bins are for market/park patrons only.

No amplified audio/music is permitted.

Arrive at 3:15pm, check in with manager/volunteer to be shown where to set up.

If arriving by vehicle please let us know before. Parking is very tight and our vendors have priority in the designated area with pylons.

You must be self-sufficient in set up i.e. tent, tables etc. If you have concerns about this, let us know. We go rain or shine.

If you need to cancel, notify me ASAP to free up the day for others.

If this interests your non-profit/charitable organization, we'd be happy to have you come and share. Please contact me for any further questions you may have.

Thank you!
