

NON-PROFIT PARTICIPATION at TRINITY BELLWOODS FARMERS' MARKET 2026

As a designated farmers' market we can have one non-profit organization attend per market day – for information sharing only at a table, no walking about market. It's all about spreading the good word about your organization. Token swag give away and passive acceptance of donations is allowed. Not permitted: selling of merchandise or fundraising.

Scheduling is on a first come first serve basis, with maximum two (2) dates in a season and once in a month. Your proposal will be vetted and date(s) confirmed with management prior to your organization coming.

Arrival time for set up is 3:15pm – check in with management at info tent to be shown where to set up.

Inform us prior if you are arriving by vehicle. We cannot guarantee we can accommodate. Areas with orange pylons are reserved for our vendors.

You must be self-sufficient in set up i.e. tent, tables etc. If you have concerns about this let us know prior. We go rain or shine.

Zero footprint. Any rubbish/paper you produce must be taken with you. Note: on-site bins are for market/park patrons only.

No amplified audio/music is permitted.

If you need to cancel, notify us immediately to free up the day for others.

If this interests your non-profit/charitable organization, we'd be happy to have you come and share. Please contact management for any further questions.

Thank you!
