

## NON-PROFIT PARTICIPATION at TBFM 2026

As a designated farmers' market we can allow one organization to attend per market day – for information sharing only at a table, no walking about market. It's all about spreading the good word about what your organization does. This opportunity is not to be used for specific campaigns, petition signatures - direct people to your website for these things. Token swag (no food) give away, passive acceptance of donations is tolerated. No selling of merchandise or fundraising.

Scheduling is on a first come first serve basis, with maximum two (2) dates in a season and once in a month if space availability permits. Your proposal will be vetted and date(s) confirmed prior to your organization coming.

Arrival time to start your set up is 3:15pm – check in with management at info tent to be shown where to set up.

The orange pylons at curbside is reserved parking for our vendors only with a city permit. Inform us prior if you are arriving by vehicle. There is no guarantee we can accommodate.

You must be self-sufficient in set up i.e. tent, tables etc. If you have concerns about this let us know prior. We go rain or shine.

Zero footprint. Any rubbish/paper you produce must be taken with you. On-site bins are for market/park patrons only.

No amplified audio/music is permitted at your stall.

If you need to cancel, notify us immediately to free up the Tuesday for others.

If this interests your non-profit/charitable organization, we'd be happy to have you come and share. Please contact management for any further questions.

Thank you!
