

## NON-PROFIT PARTICIPATION at TBFM 2026 Sept

As a designated farmers' market we can allow one organization to attend per market day for information sharing only. This is to be done from a table - no walking about the market. It's all about spreading the good word of your organization. This opportunity is not to be used for specific campaigns or collecting petition signatures - direct people to your website for these things. Swag giveaways (no food) and passive acceptance of donations is tolerated. No selling of merchandise or fundraising. These are the conditions to attend Trinity Bellwoods Farmers' Market.

Details:

- 1) Scheduling is on a first come first serve basis, with maximum two (2) dates in a season and once in a month - if space availability permits. Your proposal will be vetted and date(s) confirmed prior to your organization coming.
- 2) Must be self-sufficient in your set up. This means you need to bring your own table, tent, weights and chairs. If you have questions about this let us know *at least a week* before you are scheduled to come. TBFM cannot guarantee support in this area. We go rain or shine.
- 3) Arrival time to start your set up is 3:15pm no sooner. Check in with management at info tent to be shown where to set up.
- 4) The orange pylons at curbside are reserved parking for vendors only by city permit. Do not park there. Inform us *at least a week* before you come if you are arriving by vehicle. There is no guarantee we can accommodate.
- 5) Zero footprint. Any rubbish/paper you produce must be taken with you. On-site bins are for market/park patrons only.
- 6) No amplified audio/music is permitted.
- 7) Need to cancel, notify us immediately to free up the Tuesday for others.

If this interests your non-profit/charitable organization, we'd be happy to have you come and share! Please contact us for any further information or questions.

Thank you!
